MEMORANDUM FOR: [REDACTED]

The DCI, in a phone call from the West coast on 25 August, was informed as to the status of the response to the Killian board proposals regarding the Baldwin story. He was told that SECDEF boggles at the suggestion that memos for the record be filed after contacts with the press.

The DCI said he knows ^{what} that his responsibilities are concerning investigation of intelligence compromises but he would like to know what the law and NSCID's say about his responsibility to institute controls.

I will see the DCI in New York Thursday. Please let me have an appropriate memo on Wednesday.
